## Description

This stunning, modern new build project is praised because of its design, but moreover its unique location. Located only 2 minutes from the popular Estepona port, this residential development offers one, two, three or four bedroom apartments and penthouses with an avant-garde design that blends into the surroundings. All of the units offers high quality finishes, with a practical and modern distribution that allows maximum use of the space, without sacrificing aesthetics and style. Its elevated location offers beautiful views over the bay of Estepona and the beaches that extend both towards Marbella and towards Sotogrande. Its south-southeast orientation makes the most of natural light and its elevated location offers magnificent views of the sea and/or the city from the large terraces, which have been designed to connect the homes with the beauty of their surroundings. Spacious and perfectly lit rooms with living rooms and dining rooms that are connected by spacious terraces. Open-plan kitchens that are fully equipped with low consumption appliances. The common areas include gardens and a communal pool, an exceptional indoor pool and a fully-equipped gym. In addition, underground parking and a storeroom is included. Estepona offers a perfect mix between the best gastronomy and traditional Andalusian architecture and a wide range of modern and avant-garde restaurants and beach clubs, in addition to the proximity to many golf courses.
